

Thank you for buying an Angelo Décor Fountain!

We hope you will find these instructions helpful in setting up your fountain. If you need more information to properly care for your fountain, please **DO NOT** return the unit to place of purchase. Please visit our web site, www.angelodecor.com, for assistance and warranty information.

First unpack carton carefully, arranging parts safely in your working area.

Pass the pump cord through the groove as shown

Set the pump to the desired setting.

Connect the tubing to the pump

Place pump in housing be sure not to kink hose

Install the pump access door

Hanging Option:

Use the groove at the rear of the fountain for hanging. Be sure to use a nail or hanging hanging device strong enough to withstand the weight of this item. Be sure it is securely fixed in place to prevent damage or personal injury.

Final Assembly should look like this →

Now simply fill with clean water and plug into a grounded GFCI outlet
We recommend keeping bowl 3/4 full of water to avoid pump burnout.
