

**Thank you for buying an Angelo Décor Fountain!**

We hope you will find these instructions helpful in setting up your fountain. If you need more information to properly care for your fountain, please **DO NOT** return the unit to place of purchase.

Please visit our web site, [www.angelodecor.com](http://www.angelodecor.com), for assistance and warranty information.

**First unpack carton carefully, arranging parts safely in your working area.**

The pump and cord seal are pre-installed. Ensure the cord seal is tight.

Feed the power cord through the base

Insert the PVC pipe into place

Go the tube through PVC pipe

Conect tube to top

Slide top into place

Adjust pump to desired setting.

Connect tubing to the pump

The final assembly should look like this

Now simply fill with clean water and plug light and pump into a grounded GFCI outlet

**We recommend keeping bowl 3/4 full of water to avoid pump burnout.**

Your fountain works better and lasts longer when kept clean using mild soap and soft cloth on a regular basis.
