

Thank you for buying an Angelo Décor product!

We hope you will find these instructions helpful in setting up your fountain. If you need more information to properly care for your fountain, please **DO NOT** return the unit to place of purchase.

Please visit our web site, www.angelodecor.com, for assistance and warranty information.

First unpack carton carefully, arranging parts safely in your working area.

Connect tubing to the pump.

Adjust the pump to the desired setting and place the pump into fountain.

Install the pump access door into place as shown.

The final assembly should look like this

Now simply fill with clean water and plug into a grounded GFCI outlet
We recommend keeping bowl 3/4 full of water to avoid pump burnout.
Product must be properly stored for winter.
