

Thank you for buying an Angelo Decor Fountain!

We hope you will find these instructions helpful in setting up your fountain.
If you have any issues with this item, please **DO NOT** return the unit to place of purchase.
Please visit our web site, www.angelodecor.com, for assistance and warranty information.

First unpack carton carefully, arranging parts safely in your working area.

Pass the cord through the cord pipe as shown above.

Align the cord with the groove at the base.

Adjust the pump to the correct setting.

Connect the tubing to the pump.

Install the pipe seal as shown.

Align the metal pin with the fitting and set the top in place.

Your fountain includes an optional fire feature.

Please use **EXTREME CAUTION** when using this device and follow all cautions and warnings.

included with this device.

The final assembly should
look like this →

Now simply fill with clean water and plug into a grounded GFCI outlet
We recommend keeping bowl 3/4 full of water to avoid pump burnout.
