

Thank you for buying an Angelo Decor Fountain!

We hope you will find these instructions helpful in setting up your fountain. If you need more information to properly care for your fountain, please **DO NOT** return the unit to place of purchase.

Please visit our web site, www.angelodecor.com, for assistance and warranty information.

First unpack carton carefully, arranging parts safely in your working area.

Cord through standpipe

Cord through bowl

Cord through pedestal

Then finally in the groove of the base

Twist and lock bowl to base

Set the pump to desired strength.

Note restrictor for fine tuning of flow.

Affix outlet into pump

Place pump in housing
be sure not to kink hose

Twist and lock into place

Now simply fill with clean water and plug into a grounded GFCI outlet
We recommend keeping bowl 3/4 full of water to avoid pump burnout.
