

Thank you for buying an Angelo Décor Fountain!

We hope you will find these instructions helpful in setting up your fountain. If you need more information to properly care for your fountain, please **DO NOT** return the unit to place of purchase.

Please visit our web site, www.angelodecor.com, for assistance and warranty information.

First unpack carton carefully, arranging parts safely in your working area.

Run the pump cord down the cord pipe.

Align the cord with the groove at the base.

Feed the tubing through the pipe.

Slide the top piece of the fountain over the slip fit mechanism and into place.

Set the pump to the desired setting.

Connect the tubing to the pump.

Install the pump access door.

Final Assembly should look like this →

Now simply fill with clean water and plug into a grounded GFCI outlet
We recommend keeping bowl 3/4 full of water to avoid pump burnout.
