

Thank you for buying an Angelo Décor Fountain!

We hope you will find these instructions helpful in setting up your fountain.
If you have any issues with this item, please **DO NOT** return the unit to place of purchase.
Please visit our web site, www.angelodecor.com, for assistance and warranty information.

First unpack carton carefully, arranging parts safely in your working area.

The pump is set to full strength. If splash is a concern, adjust the flow as needed.

Connect the pump to the tubing.

Place the pump inside the reservoir.

Install the pump access door.

The final assembly should look like this →

Now simply fill with clean water and plug into a grounded GFCI outlet
We recommend keeping bowl 3/4 full of water to avoid pump burnout.
