

Simple Repair using Loctite Super Glue

When a small part of your item breaks off cleanly, with the part easy to fit back in place, we recommend this brand of instant adhesive to affect the repair.

Be sure to wear gloves, and hold into place to secure the bond.

Loctite Super Glue
Ultra Gel

Be sure of fit and
placement before
adding glue

Apply glue evenly
to all areas
that touch

Fit and hold
into place
allowing glue
to set

Touch up with paint
if needed
