

Thank you for buying an Angelo Decor Fountain!

We hope you will find these instructions helpful in setting up your fountain. If you need more information to properly care for your fountain, please **DO NOT** return the unit to place of purchase.

Please visit our web site, www.angelodecor.com, for assistance and warranty information.

First unpack carton carefully, arranging parts safely in your working area.

Pump cord through standpipe

Run cord down pedestal and align cord with groove at base.

Connect the bowl to the base

Connect tubing with T joint

Adjust pump to the desired setting

Connect tubing to the pump

Adjust the restrictor to desired water flow

Twist and lock top to the bowl

The final assembly should look like this →

Now simply fill with clean water and plug into a grounded GFCI outlet
We recommend keeping bowl 3/4 full of water to avoid pump burnout.
