

Thank you for buying an Angelo Decor Fountain!

We hope you will find these instructions helpful in setting up your fountain. If you need more information to properly care for your fountain, please **DO NOT** return the unit to place of purchase.

Please visit our web site, www.angelodecor.com, for assistance and warranty information.

First unpack carton carefully, arranging parts safely in your working area.

Pump cord through standpipe

Run cord down through the pedestal and align with groove at base

Twist and lock bowl to base and adjust pump to desired setting

Connect the metal slip fit into the bowl
Install the top piece of fountain using the groove

Connect tubing to the pump pump

Place pump in housing
be sure not to kink hose

Install the pump cover and housing.

The final assembly should look like this →

Now simply fill with clean water and plug into a grounded GFCI outlet
We recommend keeping bowl 3/4 full of water to avoid pump burnout.
