

## Thank you for buying an Angelo Decor Fountain!

We hope you will find these instructions helpful in setting up your fountain.

If you have any issues with this item, please **DO NOT** return the unit to place of purchase. Please visit our web site, [www.angelodecor.com](http://www.angelodecor.com), for assistance and warranty information.

**First unpack carton carefully, arranging parts safely in your working area.**

Pump cord through  
cord pipe.

Feed the power cord  
through the bowl.

Insert cord through pedestal.  
Align with groove in the base.

Twist and lock the  
bowl to the pedestal.

Pump is preset to full, adjust lower if less splash is desired. Be sure it sits flat inside the housing without any kink in the hose.

Line up the grooves,  
and then twist and lock  
in order to secure it in  
place.

Final assembly should  
look like this →

Now simply fill with clean water and plug into a grounded GFCI outlet  
**We recommend keeping bowl 3/4 full of water to avoid pump burnout.**
