

Thank you for buying an Angelo Decor Fountain!

We hope you will find these instructions helpful in setting up your fountain. If you need more information to properly care for your fountain, please **DO NOT** return the unit to place of purchase.

Please visit our web site, www.angelodecor.com, for assistance and warranty information.

First unpack carton carefully, arranging parts safely in your working area.

Pump comes pre-installed with cord seal. Check to see the cord seal is tight.

Cord through pedestal.

Align cord with groove of base

"Twist and lock" bowl to pedestal.

Adjust pump to desired setting.

Connect tubing to the pump.

Tighten both screws provided into place

Set top riser into place

Insert PVC pipe into top riser.

Connect tubing to output of top ball.

Slide the top ball into place

The final assembly should look like this

Now simply fill with clean water and plug into a grounded GFCI outlet
We recommend keeping bowl 3/4 full of water to avoid pump burnout.
