

Thank you for buying an Angelo Décor Fountain!

We hope you will find these instructions helpful in setting up your fountain.

If you have any issues with this item, please **DO NOT** return the unit to place of purchase. Please visit our web site, www.angelodecor.com, for assistance and warranty information.

First unpack carton carefully, arranging parts safely in your working area.

Pass the pump cord down the cord pipe.

Pass the pump cord through the pedestal. Align the cord with the groove at the base.

Twist and lock bowl to pedestal.

The pump is preset to full strength. If splash is a concern, adjust as needed.

Connect the tubing to pump.

Twist and lock the top into place.

The final assembly should look like this

Now simply fill with clean water and plug into a grounded GFCI outlet
We recommend keeping bowl 3/4 full of water to avoid pump burnout.
Product must be properly stored for winter.
