

Thank you for buying an Angelo Décor Fountain!

We hope you will find these instructions helpful in setting up your fountain.

If you have any issues with this item, please **DO NOT** return the unit to place of purchase. Please visit our web site, www.angelodecor.com, for assistance and warranty information.

First unpack carton carefully, arranging parts safely in your working area.

Arrange all parts in your work area.

Pass the pump cord through the cord hole.

Align the cord with the groove at the base of the fountain.

Connect the tubing to the pump.

Set the pump cover in place.

Set the bird in place by aligning the pins with the corresponding holes.

The final assembly should look like this →

Now simply fill with clean water and plug into a grounded GFCI outlet
We recommend keeping bowl 3/4 full of water to avoid pump burnout.
Product must be properly stored for winter.
