

## Thank you for buying an Angelo Decor Fountain!

We hope you will find these instructions helpful in setting up your fountain.

If you have any issues with this item, please **DO NOT** return the unit to place of purchase. Please visit our web site, [www.angelodecor.com](http://www.angelodecor.com), for assistance and warranty information.

**First unpack carton carefully, arranging parts safely in your working area.**

Arrange all parts in the work area.

Place the pump inside the fountain as shown above.

Pass the cord through the cord hole.

Align the cord with the groove at the base of the fountain.

Install the pump access plate as shown above.

Connect the pump to the tubing from the top section of the fountain.

Align the slip fit mechanism, and set the top in place. The top piece should firmly slide into place.

Your fountain includes an optional fire feature which should be installed as shown to the left. Please use **EXTREME CAUTION** when using this device and follow all cautions and warnings included with this device.

Final assembly should look like this 

Now simply fill with clean water and plug into a grounded GFCI outlet. We recommend keeping bowl 3/4 full of water to avoid pump burnout.
