

Amalfi Fountain Setup

Thank you for buying an "Amalfi" Fountain by **Angelo Décor!**
We hope you will find these instructions helpful in setting up your fountain.
If you have any questions with set up, parts replacement or warranty info, please, rather than returning your unit to the store, try a visit to our website, and give us a chance to help you. You will find helpful info at www.angelodecor.com
First unpack carton carefully, and inspect contents carefully.

cord through standpipe

cord through bowl

push cord to bottom

cord through bottom groove

line up twist and lock,
secure bowl to base

pull pump outlet out with pliers

cut tubing to size

adjust pump to full strength

place pump in cavity

secure pump as shown

insert tubing into pump

line up twist and lock

Add the optional mosaic
insert if desired.
Fill with water and enjoy!

Please keep clean with mild
soap and soft cloth. Also
maintain pump often by
removing dirt and debris to
help it last longer and flow
better!

We recommend keeping bowl 3/4 full of water to avoid pump burnout.
We also remind you that this item should be stored properly for harsh winters,
as water left to freeze in the bowl may cause cracking, and is not covered by warranty.
May we suggest you disassemble and store for the winter months to preserve and prolong your investment.
CONGRATULATIONS! We wish you years of enjoyment.
