

Grand Chateau Fountain Setup

Thank you for buying a "Grand Chateau" Fountain by Angelo Décor!
We hope you will find these instructions helpful in setting up your fountain.
If you have any questions with set up, parts replacement or warranty info, please, rather than returning your unit to the store, try a visit to our website, and give us a chance to help you. You will find helpful info at www.angelodecor.com

First unpack carton carefully, and inspect contents carefully.

cord through pipe

cord through bottom

cord fits into groove

nozzle and tubing into top

trim excess tubing

nozzle should look like this

extra tube is for over flow pipe if desired

run tubing for pump through riser

connect top to riser, can run overflow into riser if desired

trim excess tubing so pump sits on bottom of bowl

connect pump to tubing

install access door

Please keep clean using a mild soap and soft cloth, and inspect pump for debris often.

We recommend keeping bowl 3/4 full of water to avoid pump burnout.

We also remind you that this item should be stored properly for harsh winters, as water left to freeze in the bowl may cause cracking, and is not covered by warranty. May we suggest you disassemble and store for the winter months to preserve and prolong your investment.
CONGRATULATIONS! We wish you years of enjoyment.
