

# Three Sisters Fountain Setup

Thank you for buying a "Three Sisters" Fountain by Angelo Décor! We hope you will find these instructions helpful in setting up your fountain. **If you have any questions with set up, parts replacement or warranty info, please, rather than returning your unit to the store, try a visit to our website, and give us a chance to help you. You will find helpful info at [www.angelodecor.com](http://www.angelodecor.com)** First unpack carton carefully, and inspect contents carefully.

pump cord through standpipe in bowl

cord through bowl and into base

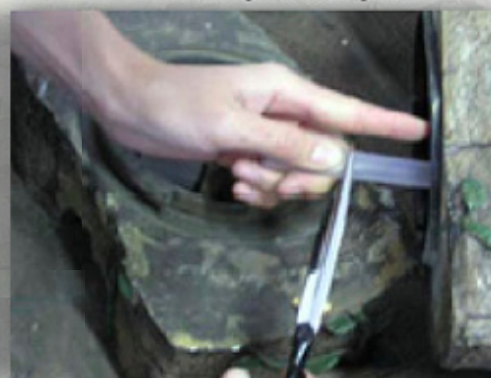

cord through bottom groove

twist and lock bowl to base

Measure the amount of tubing needed and cut excess to prevent bending

remove outlet from pump

place outlet in tubing

note location of restrictor to adjust flow

set pump to 3/4 power

attach tubing connection to pump

twist and lock top

Now simply fill with clean water and plug into a grounded GFCI outlet

**We recommend keeping bowl 3/4 full of water to avoid pump burnout.**

Your fountain works better and lasts longer when kept clean using mild soap and soft cloth on a regular basis.

Please keep clean using a mild soap and soft cloth, and inspect pump for debris often.

**We recommend keeping bowl 3/4 full of water to avoid pump burnout.**

We also remind you that this item should be stored properly for harsh winters, as water left to freeze in the bowl may cause cracking, and is not covered by warranty.

May we suggest you disassemble and store for the winter months to preserve and prolong your investment.

**CONGRATULATIONS!** We wish you years of enjoyment.
